Dear Colleagues,

I am writing to inform you that Susanne Schödel is leaving her position as Secretary General of the FAI.

Our relationship is ended by mutual agreement and FAI thanks her for her services to our organisation and deeply regrets this result.

Susanne has led the work of the FAI secretariat for nearly six years and done her utmost to deliver outcomes that benefit the whole organisation.

I am sure that you will all join me in thanking her for her dedication and hard work in the role and wishing her the very best for the future.

As of Monday, December 9, the position of Secretary General will be filled by Markus Haggeneby on an interim basis. I thank Markus for agreeing to take on this responsibility pending the appointment of a new Secretary General. I trust that you will give him your support as he adjusts the workload in the office.

Yours sincerely

Robert Henderson  
FAI President
